Title

Job Description

Term

Full time

Role

Graduate of Architecture (Sydney)

Report To

Practice Principal
Director
Associates
Architect / Project Leader

Role Description

Stewart Architecture are seeking creative, energetic and driven architectural graduates with at least 2 years experience to work within our Sydney Studio on a variety of projects varying from small to large scale. Our graduates play a vital role in the conceptualisation and realisation of projects and we invite motivated, dynamic designers to apply.

Benefits

_Centrally located studio in an active part of Pyrmont
_Professional development allowance \$500 pa.
_Annual wellbeing allowance \$500 pa.
_Fun and supportive team
_Annual events + training including our annual staff conference

We are proud to offer graduates the project responsibility and design opportunities which make work life fun, engaging and intellectually stimulating. The ideal person will have experience working across multiple project sectors and stages. This role will provide fantastic opportunities for growth and offer pathways to registration.

Key Responsibilities

- Contribute to the success of projects with minimal guidance
- Contribute to high morale and improved project processes
- Prepare and manage SA architectural design and documentation files
- Prepare and manage graphics, 3D modeling and other design outputs
- Test design options and contribute to project research and analysis
- Liaise with and manage external consultants and contractors
- Actively seek professional guidance and input from senior staff where appropriate
- Prepare for, attend and minute client and consultant meetings as required
- Assist with general office management duties as required
- Uphold the firm's core values and behavioral standards
- Uphold client and firm confidentiality
- Assist students/office juniors with advice and guidance when required
- Make in-house physical models and coordinate professional imagery and models

Key Skill & Appointment Criteria

1. Masters Degree in Architecture at University (or equivalent)
2. 2+ Year Post graduate experience
3. Strong design portfolio
4. Proficiency in Sketch Up, Rhino, Grasshopper, or 3D Modeling software
5. Proficiency in Adobe Creative Suite (Illustrator, InDesign, Photoshop)
6. Confidence and ability to work creatively under pressure and to tight deadlines
7. A strong work ethic and rigour around design processes
8. Appreciation for quality design and pride in their work

Please note:

Remuneration will be discussed at interview and will be commensurate with experience. This position is only available for those with full working rights in Australia. See application requirements on our website.
